The Border Security Force (BSF) seized at least 56 kg of heroin, the largest-ever amount recovered along the India-Pakistan border in Rajasthan, after foiling an alleged narcotics-smuggling attempt by Pakistani operatives.

The drug-seizure operation was carried out by the 127th Battalion of BSF near Khajuwala area on the Indo-Pak International Border (IB) in the Bikaner Sector.

In a tweet, BSF Rajasthan informed that after sensing suspicious movement on the border, the sentry opened fire and forced smugglers to run.
